Lesson 9

The 10th letter in the Arabic languahe is the letter RAA and it has a bit of a rolling sound.

The sound of letter RAA is R (rolling sound) and again we need the short vowels:

رَ

Ra

رِ

Ri

رُ

Ru

ر

End	Middle	Beginning
ـر	ـر	ر
ر	ر	

The 11th letter in the Arabic languahe is the letter ZAA like in the word 'Zebra' .

The sound of letter ZAA is Z and again we need the short vowels:

زُ

Zu

زِ

Zi

زَ

Za

The letters RAA and ZAA are letters that do not allow joining after them.

End	Middle	Beginning
ـز ز	ـز ز	ز

*If before the RAA or ZAA comes a letter that doesn't allow joining then RAA or ZAA take initial form

بـرَ

تَـزِ
